MPT

ii. MPT: Rank List will be prepared on the basis of marks obtained by candidates for 1st year, 2nd Year, 3rd Year & 4th Year BPT mark list (6 months internship is compulsory)

Procedure for normalization: The marks scored by the candidates in each subject in the Qualifying Examination conducted by various Boards will be made comparable with the marks obtained by the students in the same subjects in the qualifying examination conducted

by the Directorate of Higher Secondary Examination, Kerala. Let 'X' be the maximum mark secured out of 100 for a subject in the state Higher Secondary Board and 'Y' the maximum mark secured out of 100 for the same subject in any other stream AISSCE/ISC/VHSE. If 'T' is the mark secured out of 100 for the subject by a student of the other board (CBSE/ICSE/VHSE) in the year, then his/her normalized mark of the subject, say 'Z' equals $(T \times X)/Y$ (the value to be corrected to four decimal places.)

Illustration

Subject: Chemistry Year: 2024 Max. Mark out of 100 secured in the State Board =100 Max.
Mark out of 100 secured in the ISC = 99
The normalized mark of an ISC student who secured 85 out of 100 in Chemistry will be equal to $(85 \times 100)/99 = 85.8586$.

In the case of students whose qualifying examination is Higher Secondary Examination conducted by the Directorate of Higher Secondary Education, Kerala, the actual marks obtained will be considered for ranking.
